Subject: Re: Gordon Creek 2, 7 & 8 Mines 2nd Quarter 2006 Water Monitoring

Chris,

I have uploaded all of the information for Gordon Creek 2, 7, and 8 Mines from the pipeline into the permanent database. A report is attached.

It seems like you have included all required samples and parameters for the second quarter of 2006. This will be verified by the assigned hydrologist, you may want to verify for yourself first to avoid having delinquent data. If you do not know how to check the data in the database, please let me know and I can send you instructions.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.
Senior Reclamation Hydrologist
Utah Division of Oil, Gas, and Mining

Pam:

I have successfully uploaded the Gordon Creek 2, 7 & 8 Mines second quarter 2006 water monitoring data to the EDI. Also included is a portion of the third quarter 2006 monitoring data. Please let me know if there are any issues with the submittal of the data.

Thanks,

Chris
